MIDWEST REGION BROILER/FRYERS - Final majority delivered prices into Chicago and Detroit were lower; St. Louis and Ohio cities were TFEWR. Whole broiler/fryer market tone was barely steady to weak. Offers were fully sufficient on soft trade interest. Retail and food service movement was slow to moderate, although fast food demand was good in some areas. Floor stocks were in a full range; weights desirable. Supplies of parts were more than sufficient and slow to clear. Trade sentiment was steady on wings and barely steady to weak on the balance of parts.
