MIDWEST REGION BROILER/FRYERS - Final majority delivered prices into Detroit and Chicago markets were lower; Ohio cities and St. Louis were TFEWR. Whole broiler/fryer market tone was barely steady to weak. Trade inquiry was light and cautious on moderate to fully sufficient offerings. Retail and food service movement was mixed, mostly light to moderate; occasionally fairly good demand was noted. Floor stocks were in balance to long; weights desirable to trending light. Supplies of wings were adequate, all other parts supplies were more than sufficient for current trade needs. Trade sentiment was steady on wings and steady to weak on the balance of parts.
