NATIONAL BROILER MARKET AT-A-GLANCE

Majority prices were trending unchanged in all areas when compared to early week prices. The market tone was steady to about steady in the East, steady to barely steady in the Midwest, and steady to instances weak in the West. Retail and food service demand was light to good, mostly light to moderate, best for retail ads and fast food outlets. Most dealers continued to have transportation and delivery problems due to limited truck availability in parts of the Northeast. Supplies of all sizes were adequate to fully adequate to satisfy current trade needs. Floor stocks were moderate to heavy. In the parts structure, movement was light to heavy, mostly moderate to heavy for late week business. Breast items were moderate to heavy with bone-in breast in the strongest position. Wings and dark meat items were moderate to heavy. In production areas, live supplies were moderate. Weight were mixed, but reported as mostly desirable.

Preliminary Report Prices negotiated for truck lot sales of ready-to-cook broiler/fryers FOB Dock and delivered to first receivers at major market areas week of 14-JUN-2010 (cents per lb)

US GRADE A
(Including branded product)

LEG QUARTERS	39.50	7,642
WINGS	116.50	2,866

This information is supplied by the Georgia Department of Agriculture's Poultry Market News Service.

NORTHEAST BROILER/FRYER Trucklot buying activity for ready-to-cook whole broiler/fryers was mostly fair entering the week. Offerings of 3 pound and heavier sizes were available and slow to clear; smaller sizes were at least sufficient for current trade needs. Retail and distributive movement was fair to moderate. The market tone was about steady. In the parts complex, supplies of boneless skinless breasts and tenders were heavy; dark meat cuts and wings were moderate to heavy. Bone-in breasts were generally sufficient for current needs.

MIDWEST BROILER/FRYER Preliminary delivered prices into the Chicago area were unchanged. The price trend on whole broiler/fryers was steady to barely steady. Whole bird offers were light to moderate on mostly light trade call. Retail and food service sector demand was light to good; best for retail ads and fast food outlets. Floor stocks were in balance to heavy; weights desirable. Parts trade interest continued light. Supplies of leg quarters were heavy and noted as increasing, other items of dark meat were moderate to heavy. Supplies of breast cuts were moderate to heavy on random weights and wings; and light to moderate on small weighted breast portions. Parts price trend was steady to barely steady.

WESTERN BROILER/FRYER The Los Angeles preliminary majority was 96 cents, unchanged from Monday's final. The market on whole broiler fryers was steady and WOGs was steady to instances weak. Offerings of whole fryers and WOGs adequate to fully adequate. Retail and food service demand light to moderate with some areas finding improved activity into retail channels for the weekend. Floor stocks adequate. The market on bone-in breasts, thigh meat and leg meat was steady. The market on boneless skinless breast meat and tenderloins was barely steady to instances weak with some industry members noting less discounting going into the weekend. The market on the balance of white and dark items was steady to weak with lower trending prices noted on bone-in dark items. Demand light to moderate. Offerings of bone-in breasts, thigh meat and leg meat adequate with the balance of items adequate to heavy. Some industry members seeing less offers of boneless skinless breasts and tenderloins with supplies being held with more confidence.

SOUTHERN BROILER/FRYER The market tone was steady. Demand entering the weekend was fair to mostly moderate with trading usually limited to regular commitments. Supplies of all sizes were moderate to satisfy current trade needs. In the parts structure, movement was moderate to heavy for late week business. Breast cuts were moderate to heavy with slow movement. Wings were moderate to available and dark meat items were in good supply and clearing well. In production areas live supplies were moderate. Weights were mostly desirable.

DELMARVA BROILER/FRYERS Movement of ready-to-cook whole birds was fair entering the weekend. Seller offerings were fully sufficient for current trade requirements. Live supplies were moderate; weights were mixed, but noted as desirable. Processing schedules were moderately heavy. Less than trucklot asking prices remained unchanged at 89 to 98 cents. The market tone was about steady to steady. In the parts complex, supplies were moderate to heavy except for bone-in breasts which were reported as sufficient.

BROILER/FRYER CURRENT NEGOTIATED PRICES FOR IMMEDIATE DELIVERY INCLUDES MOSTLY MULTIPLE-DROP SHIPMENTS OF BRANDED AND WING TAGGED TO NEW YORK CITY FROM DELMARVA.

The Index is intended solely as an indicator of values for commodity-type product and does not represent industry's willingness to sell or ability to buy.

NORTHEAST BROILER PARTS Trucklot buying activity improved slightly under normal weekend demand but still noted as no better than fair overall. Most dealers continued to have transportation and delivery problems due to limited truck availability. Offerings of boneless skinless breasts and tenders were available and slow to clear. Wings and most dark meat cuts were moderate to heavy. Bone-in breast were generally sufficient for current needs. Retail and distributive movement was fair to moderate. The market tone was barely steady to weak for boneless skinless breast and tenderloins; about steady for wings. The balance of items were generally steady.
