The whole broiler/fryer market tone was steady to weak on fully adequate offerings. Movement, for the most part, was flat, slightly better noted in the Chicago area; best into catering, fast food, fair and festivals. Floor stocks were adequate to fully adequate. Weights mixed. Offerings on parts were very limited on dark meat cuts, mixed on wings, plentiful on tenderloins and available on the balance. The trade sediment was steady to firm on leg items, weak on tenderloins, and steady to barely steady on the balance.
