**MIDWEST BROILER/FRYER** - This week's final majority delivered prices were generally unchanged from last Monday's final; Ohio cities were TFEWR. Whole fryer market tone was steady. Offerings adequate for light trade needs. Retail and food service demand was slow to moderate overall, instances fairly good for some fast food. St. Louis area continued to experience power outages and product losses due to storms. Floor stocks adequate to long; sizes desirable. Supplies of wings were in close balance, all other parts adequate. The trade sentiment was steady to firm on wings and leg quarters, steady to weak on boneless/skinless breasts and steady on the balance of parts.
