**MIDWEST BROILER/FRYER** - The final majority prices for this week were higher from last Monday's final price in all locations; Ohio cities were TFEWR. Whole fryer market tone was fully steady to firm. Offerings were limited, trade needs mixed. Retail and food service demand was light to moderate for the most part with most activity surrounding retail promotions and fast food channels. Floor stocks were balanced to short; sizes desirable to light. Supplies of boneless skinless breasts were close to adequate, wings tight, and mixed on dark meat cuts. The trade sentiment was fully steady to firm on wings and breast items and generally steady on the balance of parts.
