MIDWEST Preliminary majorities were unchanged in Chicago and too few to report in other markets. Whole broiler market tone was mostly steady. Offers were sufficient for very limited trade needs. Retail and food service movement was noted as slow to moderate, occasionally good into fast food and restaurants. Floor stocks were adequate; weights desirable. Parts trade continued to be limited to hand to mouth, offering were light for the most part. The market tone was steady to fully steady on bone-in leg cuts and fully steady to firm on remaining parts.
