This information is supplied by the Georgia Department of Agriculture's Poultry Market News Service.

**MIDWEST BROILER/FRYER** - Preliminary majority delivered prices into the Chicago market area for next week decreased 2 cents. Whole fryer trade sentiment was steady to barely steady on continued light trade and light to moderate offerings. Weekend draw was improved into all channels; moderate for the most part. Best movement was noted into catering, some fast food and a few retail features. Floor stocks adequate to fully adequate; weights desirable. Supplies of drums and leg quarters were available, but in close balance, while the balance of parts was more than sufficient for current trade needs. The trade sentiment was fully steady on drums and leg quarters, and steady to weak on the balance of items.
