MIDWEST BROILER/FRYER - Final majority prices into major markets increased; Ohio cities TFEWR. Trade sentiment mostly steady. Offers limited on light buyer interest. Retail and food service movement was slow to moderate, best into delicatessens and some fast food promotions. Floor stocks in close balance with reduced incoming commitments to help maintain levels. Weights desirable to heavy. Parts trade was light as turkey and other holiday proteins remain primary trade focus. Parts offerings were fully sufficient. The market tone was barely steady on breast cuts and drumsticks; steady on dark meat and wings.
