CORRECTION ON CURRENT WEEK FRESH 15-20% EXPORT VOLUME

(F.O.B. Shipper Dock or equivalent; negotiated prices in trucklot and less-than-trucklot volumes reported in thousand pound quantities, cents/pound; delivery within 2 weeks.)

The MSC trade sentiment was mostly steady with prices generally unchanged. Supplies were adequate on fresh 15-20% and about adequate to barely adequate for the balance for current needs. Raw materials remained a little harder to obtain this week. Domestic movement was light to moderate. Export demand was fair to fairly good with inquiry from mostly Mexico and Central American countries. Schedules were normal.
