MIDWEST REGION BROILER/FRYERS - Final majority prices were 2 to 3 cents lower than last Monday's majority prices; Ohio cities TFEWR. Whole broiler/fryer trade sentiment was barely steady. Retail and distributive demand was light to moderate with best movement on wings, boneless skinless breasts, and eight piece cut-ups. Floor stocks were balanced to long with weights desirable to heavy. Parts supplies on bone-in and boneless dark meat items were close, adequate on breast cuts, and wings adequate to available. The market tone was mixed on wings ranging steady to weak, dark meat cuts steady to fully steady, and steady on the balance of parts.
