MIDWEST BROILER/FRYER - Final majority delivered prices increased slightly into the St. Louis market, unchanged into Detroit and Chicago; Ohio cities TFEWR. Whole broiler/fryer market tone was steady to instances firm. Offerings limited for light to moderate trade call. Retail and food service demand covered the full range, although slow to moderate for the most part. Floor stocks adequate; weights in desirable range. Supplies of all parts were in close balance to tight: except large wings, drums and tenderloins were available. The market tone was steady on all parts, occasionally firm on boneless/skinless breast.
