MIDWEST REGION BROILER/FRYERS - Final delivered majority prices were mostly 1 cent lower with Ohio cities TFEWR. Whole broiler/fryer market tone was about steady with offers light to moderate for the light needs. Retail and food service demand was light to moderate at best with most movement on wings and breast cuts and into fast food features. Floor stocks were balanced; sizes desirable. Supplies of wings were tight, boneless skinless breasts adequate to available, and adequate on the remainder of parts. The market tone was barely steady to weak on boneless skinless breasts, steady to barely steady on dark meat items, and mostly steady on the balance.
