MIDWEST BROILER/FRYER - Final majority delivered prices were sharply higher into Midwest markets; St. Louis and Ohio cities TFEWR. Whole broiler/fryer market tone was steady to firm. Retail movement was slow to moderate, while food service was light to occasionally good. Best product clearance was noted into catering and fast food. Floor stocks were balanced to very tight; weights desirable. Supplies of tenders were fully available, other parts were adequate to very limited. Trade sentiment was about steady on boneless/skinless breast and tenders, steady on wings and steady to firm on all other parts.
