MIDWEST BROILER/FRYER - Final majority delivered prices into the Chicago market were lower; Detroit unchanged; St. Louis and Ohio cities TFEWR. Whole broiler/fryer market tone was steady to weak. Offerings light. Retail and food service movement was light to moderate; instances good. Floor stocks were adequate to short; weights desirable. In parts complex, trade was light overall as current commitments meet most needs. Supplies of all parts were adequate with large wings and tenders most prevalent. Trade sentiment was barely steady to steady on large wings, tenders and breast cuts; and steady on the balance of parts.
