MIDWEST REGION BROILER/FRYERS - Final majority delivered prices into Chicago decreased one cent; Ohio cities, Detroit, and St. Louis were TFEWR. The whole broiler/fryer market tone was steady to barely steady. Whole bird offers were light on nonaggressive buyer interest. Retail and food service demand was slow to moderate; fast food eight-piece cutup saw good clearance. Floor stocks were adequate to long; weights desirable. Supplies of large wings ample, boneless/skinless breast fully adequate, and balance of parts were adequate for very light buyer inquiry. The trade sentiment was weak on large wings, barely steady to weak on the balance of parts.
