

LIQUID EGGS

Whole egg and white prices are too few to report with yolk prices lower. Trade sentiment is barely steady for whole egg, steady for whites and and barely steady to weak for yolk. The upcoming holiday week has shortened processing schedules and liquid demand nation wide, coupled with declining shell egg prices is forcing operators to adjust current outputs to alternative production. Offerings are moderate to heavy for whole egg and yolk and light to moderate for whites. Market activity is slow.

Non-pasteurized in trucklots; current trading for delivery within 14 days.
