## National Broiler Market-At-A-Glance

Whole broiler/fryer prices are about steady in the West, steady to weak elsewhere. Offering are light to available for current needs. Retail and food service demand is light to moderate entering the weekend. Floor stocks are balance to long. Market activity is slow to moderate. In the parts structure, movement improved slightly under normal weekend demand but still noted as light overall. Prices are trending at least steady for tenders; steady to lower for boneless skinless breast and wings. Dark meat cuts are steady to weak. Offerings of boneless skinless breast and wings are available and competitively priced; tenders are sufficient and dark meat items are moderate to heavy. Market activity for parts is slow to moderate. In production areas, live supplies are moderate at mixed but mostly desirable weights.
