

**LIQUID EGGS**

Liquid whole egg prices are sharply higher when compared to the last reported prices. Liquid whites and yolk continue too few to report. The undertone is higher. Demand is good to very good for all liquid egg products while offerings are light to short of current needs. Very little spot basis liquid is available as processors attempt to cover regular orders. Market activity is slow.

Non-pasteurized in trucklots; current trading for delivery within 14 days.
