

# NEBRASKA WEEKLY SUMMARY

Recap For Week Ending

October 18, 2014

**Receipts:** This Week: 27,360      Week Ago: 11,605      Year Ago: 23,000

Compared to last week, steers under 500 lbs sold 9.00 higher; 500-700 lbs sold 4.00 to 9.00 lower; over 700 lbs sold 3.00 to 6.00 higher. Heifers under 600 lbs sold 10.00 to 12.00 lower; 600 lbs sold 4.00 lower; over 700 lbs sold unevenly steady to 2.00 higher. Demand was moderate to good for bawling calves with good demand for the short supply of true yearling feeders. Some of the yearlings were plain in quality while others were front end kind. Precondition shots in calves were hit and miss at area auctions. Sharp losses in the CME cattle boards last week brought some nervousness to area auctions as calf buyers were somewhat cautious on bidding readily and consequently the calf price backed up from the previous week. Even with slight back-up in price, cattlemen are still getting record prices for this year's calf crop. Supply this week included 58 percent steers with 48 percent of the total run weighing over 600 lbs.

## NEBRASKA WEEKLY FEEDER CATTLE AVERAGES

[Auction Summary](#)

Feeder Steers:	This Week	Year Ago
<b>M&amp;L 1</b>
